An opportunity of historic proportions from the S A V Blackcap May 273 donor. Stay ahead of the curve and be part of the first calf crop of the \$1.51M world record selling Herbster-Schaff sire, S A V America 8018. On top of that, the resulting heifer calves will be maternal sisters to the \$600,000 ZWT-Siebring donor, Siebring Blackcap May 473. What a way to launch your program ahead in 2020.

Included in the winning bid is the recipient dam. Guaranteed to check pregnant at 90 days. Recipient dams are located at Transova, Sioux Center, Iowa and are FOB.
